Licensing Requirements

Visual acuity
- Each eye with/without correction .................................................20/40
- Both eyes with/without correction ...............................................20/40
- If one eye blind—other with/without correction..........................20/50
- Absolute visual acuity minimum .................................................20/160 with restrictions
- Are biotic telescopes allowed? Not for meeting vision requirements; however, they can be used for skills tests and while driving.

Visual fields
- Minimum field requirement .......................................................55˚ or better in each eye;
- 85˚ in one eye only with restrictions.
- Visual field testing device .............................................................Objective/quantitative

Color vision requirement
- None

Restricted licenses
- As long as the client meets the vision requirements, Missouri has restrictions for equipment, speed, radius (location of driving), time of day and/or length of time driving, or any restriction a doctor or examiner recommends.

License Renewal Procedures

Standard
- Length of license validation .........................................................6 years
- Renewal options and conditions ..................................................In-person, or renewal by mail if out of state.
- Vision testing required at time of renewal? Yes
- Written test required? If license has been expired for more than 6 months (184 days). Also, if an individual is cited, after the review process a written test may be required.
- Road test required? If license has been expired for more than 6 months (184 days). Also, if an individual is cited, after the review process a road test may be required.

Age-based renewal procedures
- At age 70, renewal cycle is reduced to 3 years.

Reporting Procedures

Physician/medical reporting
- Reporting is not required. However, for any condition that could impair or limit a person's driving ability, physicians may complete and submit a statement (Form 1528, “Physician's Statement”). Form 1528 is available on the Missouri Department of Revenue Web site.

Immunity
- Yes, an individual is immune from civil liability when a report is made in good faith.

Legal protection
- Medical professionals will not be prevented from making a report because of their physician-patient relationship (302.291, Rsmo).

DMV follow-up
- Depending on the information received, the DMV may request additional information; add restrictions; require a written exam, skills test, vision exam, or physical exam; or deny the privilege of driving.
